

### Low-income Student Support (Housing)

Accommodation is an important consideration for university life of a student. University of Liberal Arts Bangladesh (ULAB) offers accommodation to suit student's needs, preferences and budgets and all of our facilities are within walking distance of the University. Besides, we also help our students to find places for accommodation and housing in the surrounding of the University.

The Management of ULAB established a Female hostel where a student can rent a bed and getting different facilities within the best environment and low cost.
