On the occasion of the 50th anniversary of the great independence of Bangladesh, University of Liberal Arts Bangladesh (ULAB) is selecting 50 meritorious students from the best colleges across the country and also giving the opportunity to the children of heroic freedom fighters to get 100% scholarships.

**University of Liberal Arts Bangladesh (ULAB)** is the first private university in Bangladesh based exclusively on the Liberal Arts educational model. ULAB was formally inaugurated on 1 October 2004.

ULAB's founder, Kazi Shahid Ahmed, believes in creating works that benefit the people of Bangladesh and are of service to the country. He thus created a place of learning where well-rounded students would be steeped in the values of their own heritage, yet trained to face the modern global workplace. Beginning with just 52 students, ULAB now has about 5000 students in its undergraduate and graduate programs. The purpose-built campus in the heart of Dhanmondi was opened in the Fall of 2006 and the green Permanent Campus, located in Mohammadpur, Dhaka, became operational in 2019.

### RESEARCH SPENDING 2019: PRIVATE UNIVERSITIES

According to the annual report of the University Grants Commission (UGC), ULAB spent 12.48 crore, the second highest among all the private universities in Bangladesh.
